

**"The Itsy Bitsy Spider"**  
Traditional song adapted by Bollinger & Kendall

Verse:

The itsy bitsy spider went up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain and the  
itsy bitsy spider went up the spout again.

Chorus:

It takes a little bit of rain to help the flowers grow,  
And it takes the bright, bright sun light's glow,  
So let the rain come down,  
Sunshine on the ground,  
It takes the sun and the rain to help the world go round.

Verse, but replace "itsy bitsy" with "biggie wiggie"

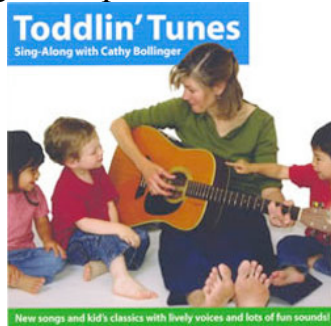

Repeat Chorus

Verse, but replace "itsy bitsy" with "teenie weenie"

Repeat Chorus

Repeat Verse

We use this song to help introduce the fall and weather.
